PCT/SK2011/050021 National Phase in the Norway

We would like to enter the PCT/SK2011/050021 National Phase in the Norway. We are sending the patent application of the PCT/SK2011/050021 and other documents. The PCT/SK2011/050021 is translated into norwegian language.

Title: **Recuperative cableway system with fuel cells**

Inventors and applicants are natural persons (nobody of them has got 20 employees or more than 20 employees) - payment of discounted fees.

Kind Regards

Ing. Štefan ILČÍK, PhD.

on behalf of inventors and applicants
