## POWER OF ATTORNEY

The undersigned, wishing to obtain protection in Norway through:

EP3129578

(Application No. 15716969.9)

hereby authorizes

Håmsø Patentbyrå AS  
P.O. Box 9  
Stavanger NO-4068  
Norway

to represent the undersigned in respect of an application for such a protection and of the protection obtained, respectively, and, on behalf of the undersigned, to receive announcements and other procedural communications relating to the protection, all in accordance with existing law.  
The attorney is authorized to transfer this Power to another Attorney.

The Attorney is also authorized to withdraw the application, and to request restriction or cancellation of the protection, respectively.

The power furthermore applies to divisional and separated applications and to the protection obtained on the basis of such applications.

By exercising the Power of Attorney granted hereby, the Attorney impliedly consents that in no circumstances does this Power of Attorney, or any other authority, give the Attorney the power to do or take any action which will violate the laws, regulations or decrees applicable in **Norway** and the United States of America; pay give or promise anything of value, directly or indirectly, to any political party or official thereof, any candidate for political office, or any officer, employee or agent of any government or instrumentality of any government, for purposes of influencing any act of such party, official, candidate, officer, employee or agent, in his or its official capacity, or for the purpose of inducing any such party, official, candidate, officer, employee or agent to use his or its influence with a government or instrumentality in order to assist Weatherford or its affiliates in obtaining or retaining business for or with, or directly business to, any persons, firms or corporations, except where such payments, offers, gifts or promises would not constitute violations of the U.S. Foreign Corrupt Practices Act or other laws applicable to the parties to this Power of Attorney. The Attorney acknowledges and agrees that despite the fact that certain anti-corruption laws and/or regulations permit, in very limited circumstances, payments called "facilitating payments," (i.e., small payments made to obtain ministerial, governmental services to which the payor is entitled) it will comply with Weatherford's policy prohibiting the use of such payments by any intermediary acting for or on behalf of Weatherford.
