

HYNELL AS

General Power of Attorney

Patents - Trade marks - Designs - Information services

General Power of Attorney

This General Power of Attorney ("GPOA") is given to Hynell AS, Norwegian organization number 995 232 537 MVA to represent Polarcus DMCC, Dubai, U.A.E. ("The Undersigned") in countries where it is desirable to establish protection through the registration of patent(s) and /or trade mark(s) and / or design(s).

Hynell AS is authorized to file relevant application(s) and represent the The Undersigned in all matters relating to the application(s), including receiving announcements and other procedural communications relating to the protection sought, all in accordance with existing law. Hynell AS is also authorized to withdraw the application(s) in full or in part and to request cancellation of or restriction on the protection. The GPOA also applies to divided and separated applications and for the protection obtained on the basis of such applications.

Hynell AS is authorized to transfer this GPOA to another attorney.
