

SebaKMT • Dr.-Herbert-lann-Str. 6 • 96148 Baunach / Germany

Baunach, 10th February, 2015

Declaration regarding trademark registration

1. Seba Dynatronic Mess-und Ortungstechnik GmbH, based in Germany, Dr. Herbert-lann-Str. 6, 96148 Baunach, the owner of the trademark seba, registration no. 135103 and 136771, declares hereby that the applicant Megger AS, based in Norway, Bjørnstadmyra 7, 1712 Grålum, can apply for the registration of the trademark sebanor in accordance with the Norwegian Trademarks Act.
2. The applicant can use the name sebanor to market Seba Dynatronic's products for testing, diagnostics, and location of faults in power supply and water pipe networks, as well as the services related to these products (service, calibration and repair work).
3. The trademark sebanor has been used in Norway by the above-mentioned applicant in association with all the above-mentioned products and services since 1982.
4. The applicant is satisfied that it is entitled to use the trademark sebanor in Norway, in association with the products and/or services described above.
