Please submit a translation of the certificate supporting the claim to priority into the language of the Office used as the first or second language of the EUTM application . If you do not do so within three months of the notification of this communication, the application will lose the right to priority.

Since your application was being processed as 'Fast Track', please be aware that your application has had a deficiency raised against it, and consequently can no longer be processed as such. Therefore, the usual timeliness standards will now apply to your application.

Bruno Laurent GUERRA

If you need additional explanation on any aspect of this communication, please contact the EUIPO's Information Centre on +34 965139100 making reference to your application

number. The Information Centre will provide an answer to your question or will put you through to the examiner in charge of the file. If the examiner is not available, you may request a 'call back' and the examiner will contact you within two working days.
