

Emerson Process Management (Tianjin) Valves Co
Ltd
No. 15 Xing Wang Road, Wuqing Development Area
CN301700 TIANJIN
Kina

Oslo, 2013.11.22

Application no.: 20130793 **(please add in reply)**
Applicant: Emerson Process Management (Tianjin) Valves Co Ltd
Title:

Notification concerning patent application no. 20130793

Please find enclosed a written statement dated 2013.11.22 in Norwegian, concerning the above mentioned application. The statement concerns shelving of an application due to a non response to the letter of formal defects dated 2013.07.16 (also find this enclosed).

To reinstate the application a Declaration of Right to the Invention must be submitted to the Norwegian Industrial Property Office within the time limit indicated in the shelving letter: 2014.02.18.

Please notice that your agent is no longer registered as your representative for this application due to lack of delivery of, or deficiency in, the power of attorney.

All communication will be addressed directly to you as the applicant of the above mentioned application, unless an agent is appointed by submitting a request for registration of an agent, together with a valid power of attorney.

Please contact us if you have any questions or concerns.

With kind regards

Anita Høyer Halvorsen
