

^{the}
To the HO mo it might
concern.

The 1st thing do not bother
me nor pest control, so
go fish somewhere else
over or under the rainbow
I really don't care just stay
the fuck out of my business,
but cute fry worney.

~~304150~~

Register the thing as I have
said and led up the other register
as it is/where? where? where?
it was as I said in the latter letter.
