Saken gjelder: Administrativ overprøving mot varemerkeregistrering nr. 261499 (BANKSY)

1 Innledning

Det vises til innehavers tilsvaret datert 27. april 2020. Ut fra innehavers tilsvaret ser partene ut til å være enige om de rettslige utgangspunktene i saken, nemlig at et varemerke ikke kan registreres uten samtykke dersom merket inneholder en annens kunstnernavn, jf. varemerkeloven § 16 bokstav c.

Det sentrale spørsmålet i saken er således om det foreligger gyldig samtykke fra artisten «Banksy». Subsidiært opprettholdes anførselen om at det registrerte varemerket ikke oppfyller kravet til bruk, jf. vml. § 37.

2 SANDS representerer Banksy og klager har rettslig interesse.

Innehaver bestrider i tilsvaret at SANDS Advokatfirma DA («SANDS») representerer Pest Control Office Ltd (PCO eller Klager). I tillegg bestrides det at PCO representerer Banksy.

Klager er Banksys representant, og alle henvendelser om bruk av hans navn og varemerke administreres gjennom Klager. Banksy håndterer ikke denne typen henvendelser personlig. Innehaver har aldri vært i kontakt med Klager om bruk av Banksys navn.

Klager har fullmakt til å søke om beskyttelse av Banksys varemerke, samt angripe urettmessig bruk av Banksys varemerke og kunstnernavn, jf. bilag 2 til den administrative overprøvingen hvor det er fremlagt en avtale mellom klager og kunstneren Banksy datert 23. august 2019. Som ytterligere dokumentasjon på at Klager faktisk representerer Banksy fremlegges et brev fra PCO til Patentstyret av 18. mai 2020, heretter benevnt «Bekreftelsen». Brevet vil bli ytterligere kommentert i punktene nedenfor.

Bilag 1 Brev fra Pest Control Office Ltd. til Patentstyret av 18. mai 2020

Som det fremkommer av Bekreftelsen representerer PCO Banksy og SANDS er engasjert av PCO.

Pest Control is a company registered in England under company number 06472402. We were incorporated in January 2008. Pest Control represents the British artist, Banksy and we are the sole authenticator of his works. We exist to ensure that the public is not misled.

As you will have seen from the agreement between Banksy and Pest Control dated 23 August 2019 which has previously been submitted in these matters, Pest Control are authorised by Banksy to oppose or apply to cancel trade mark registrations and applications by third parties which include the name "Banksy".

In this regard, we can confirm that we have instructed SANDS Advokatfirma DA to act for Pest Control in both the Opposition and the Administrative Review.

I tillegg til dette fremlegges også bekreftelse fra tre auksjonshus som formidler Banksys kunst. I bekreftelsene fremkommer det at Klager er Banksys eksklusive representant.

Bilag 2 Bekreftelse fra auksjonshuset Bonhams datert 26. mars 2020

Bilag 3 Bekreftelse fra auksjonshuset Phillips Auctioneers datert 31. mars 2020

Bilag 4 Bekreftelse fra auksjonshuset Sotheby's datert 27. mars 2020

Klager formidler også direktehenvendelser om å få kjøpe kunst av Banksy. Personer som ønsker å kjøpe kunst kan sende inn en søknad til Klager. Bilag 5 inneholder en oversikt over søknader om å få kjøpe kunst som Klager har mottatt fra norske privatpersoner. Bilag 6 er salgsordre, altså en oversikt over godkjente søknader, der kunden har fått tillatelse til å kjøpe kunst av Banksy.

Bilag 5 Oversikt over søknader om å få kjøpe kunst fra norske kunder

Bilag 6 Godkjente søknader (salgsordre) til norske kunder

PCO er også innehaver av nettstedet banksy.co.uk, som er det offisielle nettstedet som promoterer Banksys kunst.

Bilag 7 Registreringsbekreftelse for nettstedet banksy.co.uk

Dokumentasjonen viser følgelig at Klager representerer Banksy og har rettslig interesse i saken, jf. vml. § 39. SANDS er engasjert av Klager.

3 Det foreligger ikke samtykke fra Banksy

Innehaver har i tilsvaret gjort gjeldende at det foreligger et gyldig samtykke. Dette bestrides av Klager. Brevene vedlagt tilsvaret er ikke skrevet av artisten Banksy, og det gir ikke uttrykk for hans vilje.

I Bekreftelsen fra Klager fremkommer følgende;

These Letters do not come from Banksy. We can confirm that neither Pest Control nor Banksy has granted any permission to Dyrehotell (or anyone associated with Dyrehotell) to register or use "BANKSY" as a trade mark.

I tillegg anføres det i Bekreftelsen fra Klager at håndskriften i de vedlagte brevene til tilsvaret ikke skriver seg fra Banksy, jf.;

The handwriting in the Letters (please see for example the handwritten pages in Appendix 1 to the letter from Bull & Co of 27 April 2020 (pages 4 and 10 to 12 specifically) and Appendix 3 of the same) is very obviously not Banksy's handwriting. Banksy's handwriting has been made public on numerous occasions and these Letters do not resemble his handwriting in any way at all. It is not even a poor imitation, it is simply completely different.

I Bekreftelsen er det vedlagt dokumentasjon som viser Banksy sin håndskrift. Som det fremkommer er den helt ulik den som vises i brevene vedlagt tilsvaret.

Når det gjelder bilag 1 og 2 til tilsvaret fra Innehaver er det flere tegn i brevet som kan peke i retning av at brevene er skrevet av noen andre enn Banksy. Banksy en britisk statsborger med engelsk som morsmål. Brevene er tydelig skrevet av noen som ikke har engelsk som sitt morsmål. Brevene inneholder en rekke skrivefeil, der for eksempel «I» er skrevet med liten bokstav, ordet «wine» er feilskrevet til «vine» og ordet «completely» er feilskrevet til «compleatly». Det virker også merkelig at forfatteren tidvis skriver om Banksy i tredjeperson, dersom forfatteren er ment å være Banksy selv. For eksempel står det i brevet, jf. bilag 2 til tilsvaret, «if you have done your home work you know that all of banksys so called earnings». Dersom Banksy selv hadde skrevet dette, ville det vært naturlig å omtale seg selv i førsteperson entall.

Personen som har skrevet brevet vedlagt som bilag 2 til tilsvaret, virker også å mangle grunnleggende forståelse for det engelske rettssystemet, deriblant henvisningen til at noen angivelig skal ha snakket med «some barristar's of mine». Det er veldig usannsynlig at noen har snakket med Banksys «barrister». Begrepet «barrister» henviser til en særskilt type prosedyreadvokat innenfor det engelske rettssystemet, som normalt ikke vil ha direkte kontakt med klienten, og som normalt ikke vil delta i kommersielle forhandlinger. Banksy har ingen «barrister». Dersom Banksy selv hadde skrevet brevet, ville han brukt begrepet «solicitor», som i hovedsak svarer til begrepet «advokat» slik vi kjenner det fra det norske systemet.

Klager finner det også påfallende at Lawrence Banksy, personen bak innehaver av merket det er reist administrativ overprøving mot, har registrert et foretak i Storbritannia under navnet «Pest Control Office Ltd». Foretaksnavnet er helt likt som innsiger, med unntak av en ekstra «l» i ordet «Control». Det virker tilsynelatende som Lawrence Banksy bevisst har forsøkt å utgi seg for å være Klager. Det er innsendt foretaksklage i Storbritannia mot dette foretaksnavnet.

De angivelige samtykkene som er vedlagt tilsvaret skriver seg ikke fra den engelske kunstneren Banksy.

4 Varemerket har ikke vært i bruk, jf. vml. § 37

Subsidiært anføres det at varemerket skal slettes grunnet manglende bruk de siste fem årene, jf. vml. § 37. Varemerket er registrert for varer i klasse 9,16,18,21,24 og 25. I tilsvaret er det vedlagt bilder av produkter som angivelig skal vise til bruk av Innehaver. Navnet «Banksy» fremkommer ikke på noen av produktene og oppfyller ikke kravet til bruk.

Videre fremkommer følgende av Bekreftelsen;

Dyrehotell have provided no information about these items or what they purport to demonstrate, but we can confirm that none of the merchandise depicted has been authorised by Pest Control. The items in the first photograph in Appendix 5 are unauthorised reproductions of Banksy's artworks and the second photograph appears to be a press photo of an original Banksy artwork entitled "Withus Oragainstus" which was hung by Banksy at the American Museum of Natural History in 2005.

5 Oppsummering

Prinsipalt: Varemerkeregistrering nr. 261499 (BANKSY) utgjør pseudonymet til kunstneren Banksy. Kunstnernavnet har vern mot at andre kan bruke navnet som sitt varemerke uten samtykke fra kunstneren. Banksy og/eller PCL har aldri samtykket til varemerkeregistreringen. Det bes om at varemerkeregistrering nr. 261499 (BANKSY) kjennes ugyldig, jf. varemerkeloven § 35(1), jf. vml. § 16 bokstav c.

Subsidiært: Varemerkeregistrering nr. 261499 (BANKSY) har ikke vært i bruk de siste fem årene for de varene som varemerket er registrert for. Varemerket skal følgelig slettes, jf. vml. § 37.

To be submitted by SANDS Advokatfirma DA,
on behalf of Pest Control Ltd.

Dear Sir / Madam

18th May 2020

1. **Administrative review against Registration Number 261499 "BANKSY" – OP2020/00112 ("the Administrative Review")**
2. **Opposition against Application Number 306746 "BANKSY" - OP2020/00086 ("the Opposition")**

Pest Control Office Ltd ("**Pest Control**") are the applicant in the above Administrative Review and the opponent in the above Opposition.

Pest Control is a company registered in England under company number 06472402. We were incorporated in January 2008. Pest Control represents the British artist, Banksy and we are the sole authenticator of his works. We exist to ensure that the public is not misled.

As you will have seen from the agreement between Banksy and Pest Control dated 23 August 2019 which has previously been submitted in these matters, Pest Control are authorised by Banksy to oppose or apply to cancel trade mark registrations and applications by third parties which include the name "Banksy".

In this regard, we can confirm that we have instructed SANDS Advokatfirma DA to act for Pest Control in both the Opposition and the Administrative Review.

Banksy's Handwriting

We have seen the submissions and evidence filed by our opponent in the above matters, Dyrehotell Pets Paradise AS ("**Dyrehotell**"). We note that the letters from Bull & Co of 27 April 2020 (in the Administrative Review) and 5 May 2020 (in the Opposition) enclose letters which are said to be from Banksy ("**the Letters**").

These Letters do not come from Banksy. We can confirm that neither Pest Control nor Banksy has granted any permission to Dyrehotell (or anyone associated with Dyrehotell) to register or use "BANKSY" as a trade mark.

The handwriting in the Letters (please see for example the handwritten pages in Appendix 1 to the letter from Bull & Co of 27 April 2020 (pages 4 and 10 to 12 specifically) and Appendix 3 of the same) is very obviously not Banksy's handwriting. Banksy's handwriting has been made public on numerous occasions and these Letters do not resemble his handwriting in any way at all. It is not even a poor imitation, it is simply completely different.

By way of comparison, we have attached to this letter a number of published examples of Banksy's handwriting. As can clearly be seen from these examples, his real handwriting is starkly different to that in the Letters.

Firstly, please see Exhibit A which shows screenshots of a YouTube video. The YouTube video shows the film director Danny Boyle creating a play in Bethlehem, known as "The Alternativity" which was made in collaboration with Banksy. At the beginning of the video, Danny Boyle reads a letter from Banksy which clearly shows Banksy's handwriting. In particular, see the video clip between minutes 3:37 and 4:07 from where the screenshots were taken.

Secondly, please see Exhibit B, which shows a screenshot from Banksy's official Instagram page (<https://www.instagram.com/p/fNpQfrK-yl/?hl=en>). The screenshot shows a written artwork by Banksy, clearly showing his handwriting.

Thirdly, please see Exhibit C, which shows a screenshot from Banksy's official website (www.banksy.co.uk). The screenshot shows a sidebar of the website with a menu of options in Banksy's handwriting.

Finally, please see Exhibit D (<https://www.theguardian.com/artanddesign/2016/jun/06/banksy-leaves-mural-and-cheeky-note-in-bristol-school-as-thanks-for-tribute>), which shows screenshots of an article published by The Guardian about Banksy's mural painted at Bridge Farm School in Bristol in 2016. He left a handwritten note to the caretaker of the school along with the mural and there is a screenshot of the caretaker holding the note which shows Banksy's real handwriting.

A simple visual comparison between the handwriting in Exhibits A-D, which show true examples of Banksy's real handwriting, and that of the handwriting in the Appendices, shows them to be completely different.

Evidence of use by Dyrehotell

We have seen that Appendix 5 to the letter from Bull & Co of 27 April 2020 contains photographs that Dyrehotell claims to be evidence of use of their trade mark, although the "BANKSY" trade mark is not in fact visible in any of the photographs in Appendix 5.

Dyrehotell have provided no information about these items or what they purport to demonstrate, but we can confirm that none of the merchandise depicted has been authorised by Pest Control. The items in the first photograph in Appendix 5 are unauthorised reproductions of Banksy's artworks and the second photograph appears to be a press photo of an original Banksy artwork entitled "Withus Oragainstus" which was hung by Banksy at the American Museum of Natural History in 2005.

Conclusion

In light of this letter, the submissions made to date on our behalf by SANDS Advokatfirma DA, and the unreliable evidence presented by Dyrehotell, we request that you cancel the Norwegian trade mark "BANKSY" (registered number 261499) and refuse to register Dyrehotell's further application for "BANKSY" (application number 306746).

Yours faithfully

Banksy leaves mural and cheeky note in Bristol school as thanks for tribute

Artist shows gratitude to Bridge Farm primary for naming house after him, but tells pupils 'forgiveness is easier to get than permission'

Maev Kennedy

The street artist Banksy has painted a primary school playground wall and left a note that could cause havoc with the school's code of discipline – "remember it's always easier to get forgiveness than permission" – in gratitude for the honour of having one of the houses of the school in Bristol named after him.

The painting, of a scribbly school girl bowling an alarmingly realistic burning tyre along the 14ft wall, and the note left for the school caretaker, appeared overnight at Bridge Farm primary school, in the city where the anonymous artist's meteoric career began.

Pest Control, his agents who authenticate his work, promptly confirmed to the Guardian that the work is genuine – despite their warning "because many Banksy pieces are created in an advanced state of intoxication the authentication process can be lengthy and challenging" – and that the school has framed the note. Unusually the mural includes a signature, but in the tricky world of real and fake Banksy, that is no guarantee of authenticity.

The pupils had written to Banksy before Easter, telling him that they had voted to rename one of their four school houses in his honour. He is in good company: the others are Cabot, after the 15th-century Italian explorer John Cabot, who mounted three voyages of exploration from Bristol; Brunel after the engineer Isambard Kingdom Brunel, who slung the famous suspension bridge over the city's Avon Gorge; and Blackbeard after the pirate said to have been born in Bristol.
