Norwegian Patent Application No.20210133, in the name of PRESTAK SOLUTIONS
GEO AS and Vita Kalashnikova

Reference is made to your Office Action of 2022.05.12.

We enclose amended claims adapted to the requirements of the Office Action. No further amendments have been made.

We also enclose a Norwegian translation of the amended claims.

We also enclose an amended description in which specific references to the invention have been removed and a sentence stating that the invention is defined by the claims has been included. The description is also slightly formatted.

We ask to accelerate the granting of a patent process based on the enclosed documents.

Best regards
