Form

This form is a notification of a general power of attorney. A general power of attorney is an assignment of all existing and future rights of the applicant/holder to the representative. Each application thereafter must include a copy of the original authorization.

▶ **Subject area**

Indicate whether the appointment concerns a trademark, design or patent, if it concerns two of the subject areas or all of the subject areas.

● **Change of representative**

Check box if the notification is a change of representative. Change of representative must be submitted on separate forms. These are downloadable at www.patentstyret.no and must be submitted before sending in this form.

▶ **Representative**

Name and address of the representative must be stated. Please include customer ID, if you are a customer at the Norwegian Patent Office. It is also possible to submit the logo of the representative's office.

● **Division and separation of basic application**

The power of attorney is applicable to possible divisional and separated applications. Such applications must each contain a reference to the power of attorney in the basic application.

▶ **Applicant/holder**

The name and address of the holder must be stated. Please include any customer ID at the Norwegian Patent Office.

▶ **Signature**

The form must be signed by the applicant/holder. Copies of the form will be accepted only if all the submitted information is legible. For trademarks, only the original copy is sufficient. If the notification concerns a transfer of power of attorney, the signature of the current representative is sufficient. If a trademark, design or patent has more than one applicant/holder, all must confirm the appointment of the representative. Separate authorizations must be submitted if the applicants/holders have different addresses.
